

August 8, 2021

Dear Co-Laborers in Christ,

It has been my joy and privilege to serve as your Director at Williamson Baptist Association (d/b/a Strategic Church Solutions) since 2009. As I shared with you at our first Partner-Wide Meeting back then, in so many ways, serving at SCS has been my dream job! After 13 years, I can still affirm that dream.

After much prayer, counsel and thought; I am completely convinced that God is now leading me to a new adventure in a new season of life. **Therefore, it is with much peace that I share with you that I plan to retire from Strategic Church Solutions on May 31, 2022.** It is my hope that this 9 month notice will provide the Executive Leadership Team and Partners time to prepare for a smooth transition to new leadership. This organization deserves such a transition.

While there are too many people to thank in this short letter, I will forever be grateful to Clint Anderson, Deb Bowman, and Mandy Bunn as well as all the various folks that served on the different teams, task forces and SCS staff. Together, we created the future. Without your love, honesty, accountability and support... I could not have accomplished anything. In addition, I would like to thank each Partner church and Pastor that allowed me the honor to serve them. Each of you are valuable tools in the Kingdom's work. Keep marching forward in faith.

As the old song says, "I don't know what tomorrow holds for my next assignment and adventure, but I know Who holds tomorrow." I prefer thinking about this next season of life as a time to "rewire" as opposed to "retire." After 43 years of full time ministry, I look forward to new opportunities to continue focusing on my family, the equipping/education/administration ministry and advocating for Christian creation care.

Thank you for being such a gracious and patient Partner for me. For me, this decision is the good and virtuous path to take and the right time to take it. May God be glorified and his Kingdom advanced!

Your servant,  
Travis Bundrick
